The Malaysia campus of the
University of Reading, UK

Education is not a cost; it's an investment in your future.

OUR MALAYSIA CAMPUS

EDUCITY @ ISKANDAR PUTERI

"EduCity Iskandar is the ideal environment to balance study and play without too many distractions."

ICONIC, STATE-OF-THE-ART CAMPUS

The awe-inspiring, architecturally stunning campus is purpose-built to provide a world-class learning environment for our students and staff.

SAME CURRICULUM, DEGREE AND QUALITY

The programmes and curriculum offered on the Malaysia campus mirror that which are offered on the UK campus, and are delivered to the same quality standards.

AFFORDABLE

Students who complete all their studies at our Malaysia campus do so at around half the cost of studying at our UK campus including accommodation and living costs.

EDUCITY LOCATION

We are located in EduCity, Iskandar Puteri, a dedicated hub for education. The facilities at EduCity include a 24-hour student hub, Olympic-size swimming pool, IAAF-certified running track, multi-function indoor arena, fitness centre, football pitch and tennis courts.

PATHWAY TO READING

The IFP is a University-led foundation programme that provides SPM, IGCSE and equivalent holders with a well-defined pathway to a University of Reading degree. The IFP is designed to prepare students for the academic rigour of undergraduate study and also support them in the transition from school to university.

KEY BENEFITS

The key benefits of the Reading IFP programme are as follows:

- Guaranteed place at the University of Reading if you meet the progression requirements
- Option to progress to an undergraduate degree at our stunning campuses in Reading, UK, or Iskandar Malaysia
- Internationally recognised and well-established programme

- Holistic approach to individual development, both academic and non-academic
- Small class sizes allowing for a more personalised experience
- Academic Tutor and student support system

CURRICULUM

Students complete 4 modules including Academic Skills, International English (if required) and 2 further modules depending on their chosen pathway.

Students who successfully complete the IFP are awarded the Foundation in Business (R/010/3/0173)(07/2023)(MQA/FA3723)

- Enables students to progress their careers in multiple ways, such as marketing, HR, sales, strategy and general management, or to start their own business

SCHOOL OF THE BUILT ENVIRONMENT

WHAT IS THE BUILT ENVIRONMENT?

The built environment refers to the human-made structures used for living, work, play and socialising – everything from houses and office blocks to shopping malls and parks. The built environment is pivotal to fast-developing cities around the globe and the industry provides a range of existing career opportunities.

PROFESSIONAL RECOGNITION

Where applicable, our degrees are recognised by RICS (Royal Institution of Chartered Surveyors), CIOB (Chartered Institute of Building), BQSM (Board of Quantity Surveyors Malaysia) and PAQS (Pacific Association of Quantity Surveyors).

HIGHLY REGARDED

Ranked #4 in the UK for Building according to The Complete University Guide 2020. The school has an established reputation for producing industry-ready graduates, many of whom become industry leaders.

BUILDING INFORMATION MODELLING (BIM)

Our dedicated BIM lounge enables students to prepare for the latest developments in the industry.

- Building science and technology
- Construction techniques and processes
- Building procurement, cost planning and project management
- Building information modelling (BIM)
- Sustainability

Students have ample opportunity for internships and to network with industry professionals.

SCHOOL OF LAW

BACHELOR OF LAWS

(N/380/6/0058)(06/2024)(MQA/PA12029)

The degree offered at the Malaysia campus is exactly the same as that offered on the University's UK campus with modules that include contract, criminal law, tort, legal skills, property law and public law.

ENHANCED STUDENT EXPERIENCE

Students benefit from the University of Reading learning experience which provides the perfect balance of academic learning and practical experience. We use an applied, problem-solving approach and students have the opportunity to take part in client interviewing, negotiation and mooting competitions. Our excellent facilities include a moot court and a legal clinic.

RECOGNITION

The Reading LLB currently offered in the UK is recognised by the Legal Professional Qualifying Board (LPQB) in Malaysia for the Certificate in Legal Practice Examination (CLP). The Reading LLB degree offered at the Malaysia campus subject to MQA Full Accreditation will be in line with the MQA programme standards and the requirements of the LPQB.

CAREERS IN LAW

The programme provides the ideal start to a legal career. Students can take their professional exams to work as a solicitor or barrister, or become a corporate lawyer. Alternatively, graduates can use their legal education to develop a career either in business or government.

SCHOOL OF PSYCHOLOGY AND CLINICAL LANGUAGE SCIENCES

BSc PSYCHOLOGY

(N/311/6/0074)(07/2020)(MQA/FA6235)

Our programme is research-led but applied in nature and includes modules such as:

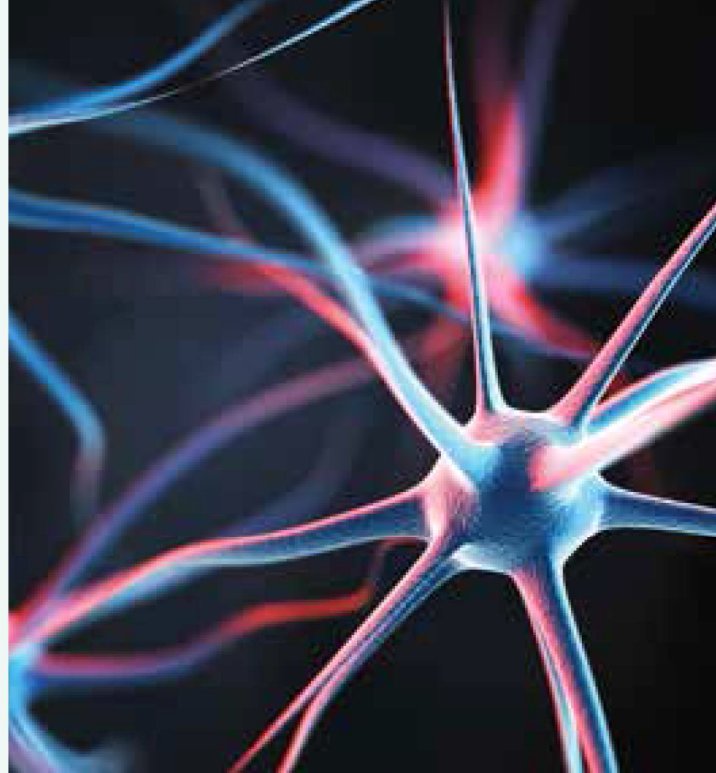

- Biopsychology

- Developmental psychology
- Social psychology and individual differences
- Psychological research methods

PSYCHOLOGY LABS

Our state-of-the-art facilities include a Brain and Behaviour Lab with EEG, eye-trackers, observation suites and PC-based testing cubicles.

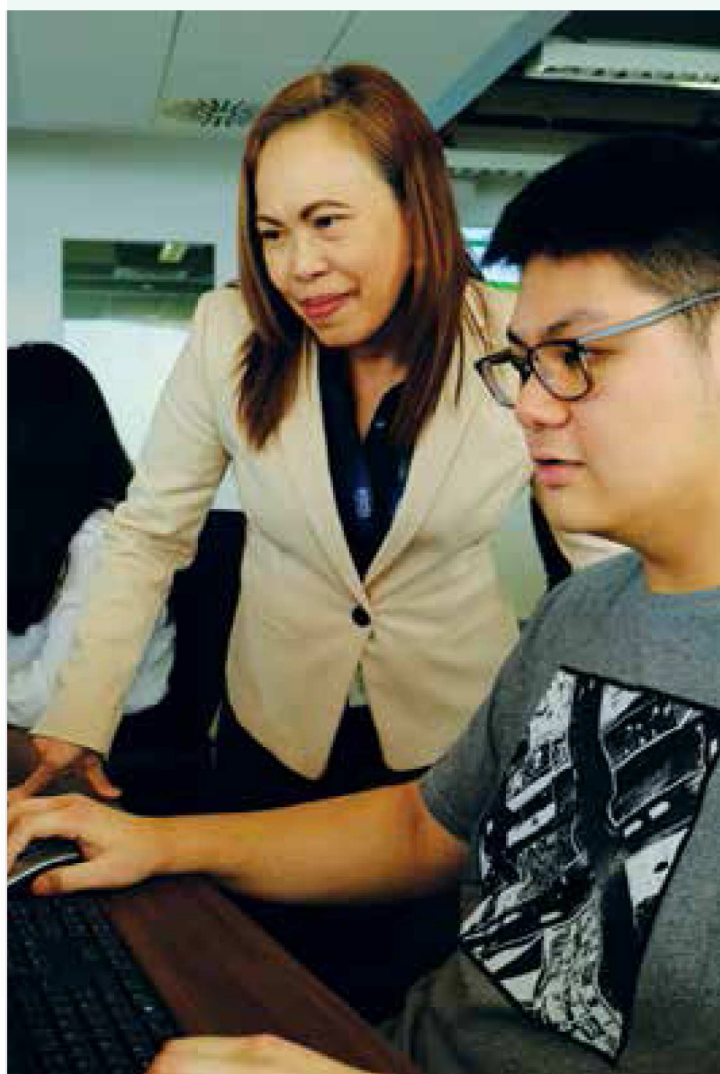

BPS ACCREDITATION

Our programme is accredited by the British Psychological Society (BPS), which gives our graduates eligibility for Graduate Basis for Chartered Membership.

CAREER OPTIONS

Our programme enables students to develop excellent skills in data analysis, communication and critical thinking, which allows them to enter a wide range of careers in business, marketing, HR and healthcare. Some take further postgraduate qualifications to develop their career as a clinical, counselling or occupational psychologist.

A FOCUS ON CAREER AND GRADUATE EMPLOYMENT

The programmes on offer at the University of Reading Malaysia campus provide strong graduate employment prospects and career development opportunities in Malaysia and the region.

PROFESSIONAL RECOGNITION

Our programmes are recognised by appropriate professional bodies to ensure our students are fully prepared to enter their chosen profession.

INDUSTRY WORK PLACEMENT

Many of our students benefit from our close industry links by undertaking work placements, typically during the Summer break, to gain valuable work experience. Our careers office will assist students in finding suitable work placements.

CAREERS FAIR

Our on-campus careers fairs provide an opportunity for students to meet with prospective employers.
